

Job Information: Professor

Employer: Yokohama National University (YNU)

Division of Materials Science and Chemical Engineering, Faculty of Engineering, Yokohama National University (YNU) is now inviting applications for one faculty position as a Professor in the field of Physical Chemistry or Analytical Chemistry. The following is an overview of the position, required qualifications and application procedure:

1. Job title: Professor
2. Job description: Research area of candidates should be Physical Chemistry or Analytical Chemistry. Successful candidate will be expected to participate in undergraduate and graduate educational programs for chemistry. Alongside educational and research activities, the professor is also expected to take a role in administrative duties.
3. Start date: April 1st, 2021 or the earliest possible date thereafter.
4. Term of employment: Full-time position (Retirement age: 65)
5. Candidates must have a doctoral degree. Candidates should have a working knowledge of Japanese in order to carry out education and research activities.
6. Application materials must be received by August 24, 2020, and will then be considered for eligibility. Applicants may apply in English. Application materials should include the following documents:
  - A) Curriculum vitae with your photo
  - B) List of research achievements (lists of publications, invited talks, awards, research grants, etc.)
  - C) Copies of your 5 representative publications
  - D) List of acquisition situation of various competitive research funds (distinguish representative from allotment)
  - E) Summary of research achievements and research plan at YNU (up to 2 pages including figures)
  - F) A short statement of your educational goals (up to 1 page)
  - G) Contact information and addresses of two references
7. Application materials consisting of documents A)-G) should be saved as a single PDF file and stored in CD or DVD or USB. The printed documents and the CD or DVD or USB should be enclosed in an envelope marked as “Application for a faculty position at YNU (Chemistry)” in red and sent by registered mail to the mailing address below.

8. Application materials should be sent to the following address:  
Professor Kaoru Dokko  
Faculty of Engineering, Yokohama National University, 79-5 Tokiwadai, Hodogaya-ku,  
Yokohama 240-8501, Japan.  
Tel & Fax: +81-45-339-3942  
E-mail address: dokko-kaoru-js@ynu.ac.jp
  
9. Contact  
Professor Yoshitaka Yamaguchi  
Faculty of Engineering, Yokohama National University, 79-5 Tokiwadai, Hodogaya-ku,  
Yokohama 240-8501, Japan.  
Tel & Fax: +81-45-339-3932  
E-mail address: yamaguchi-yoshitaka-hw@ynu.ac.jp
  
10. All documents provided will be used solely for this recruitment and not for any other purpose. The documents will be disposed of in a safe manner after the selection is completed, in order to maintain the privacy of personal information.
  
11. YNU encourages female and overseas applicants.
  
12. After a review of the documents, a few applicants will be invited to the interviews held at YNU in September 2020. YNU does not support the travel and accommodation costs for applicants who are invited to the interviews. If there are no suitable candidates among the applicants, the final candidate may not be selected.
