

Job Information: Professor of Mathematics as a Tenured Faculty Position

Employer: Yokohama National University (YNU)

The Specialization in Mathematical Sciences within the Department of Mathematics, Physics, Electrical Engineering, and Computer Science at the Graduate School of Engineering Science, Yokohama National University (YNU) is now inviting applications for a professor as a tenured faculty position in the field of Analysis in Mathematics. The following is an overview of the position, required qualifications, and application procedure:

1. Job title: Tenured Professor
2. Number of positions: 1
3. Job description: The candidate's area of research and education must be in the field of Analysis in Mathematics. A successful candidate will be expected to participate in the undergraduate and graduate educational programs in Mathematical Sciences. He or she will research Analysis in Mathematics. Alongside educational and research activities, a tenured professor is also expected to take a role in administrative duties.
4. Start date: April 1st, 2022
5. Term of employment: Non-fixed-term (tenured) (Retirement age 65)
6. Candidates must have a doctoral degree. A candidate whose mother tongue is not Japanese should have a working knowledge of Japanese to carry out education, research activities, and administrative duties.
7. Compensation: It depends on the regulation of the Yokohama National University. The basic salary is determined in accordance with the regulations of YNU.
8. Completed applications must be received by September 16th, 2021, and will then be considered for eligibility. Those whose mother tongue is not Japanese may apply in English. Completed applications should include the following documents:
 - A) Curriculum vitae with photo
 - B) List of research achievements (lists of publications, invited talks, awards, research grants, etc.)

- C) Around five copies of work from major publications
- D) Summary of research achievements (1 page)
- E) Research plan at YNU (1 page)
- F) A statement of your educational goals (1 page)
- G) A photocopy of your doctoral degree certificate
- H) Contact information and addresses of two references

9. A completed application consisting of documents A)-H) should be saved as a single PDF file and saved to a USB flash drive or burnt to a CD or DVD. The printed documents and the USB flash drive, CD, or DVD should be enclosed in an envelope marked as “Application for a tenured faculty position at YNU” in red and sent by recorded mail to the address below. If they cannot be sent by recorded mail, they can be sent by e-mail to math-rcr2@ynu.ac.jp

10. Contact

Mailing address: Professor Takeshi Kajiwara,
Faculty of Engineering, Yokohama National University,
79-5 Tokiwadai, Hodogaya-ku, Yokohama 240-8501, Japan
E-mail address: math-rcr2@ynu.ac.jp

11. After reviewing the application documents, several selected candidates will be interviewed at YNU in October or November 2021. The travel expenses and all other expenses for interviews will not be reimbursed.

12. All documents provided will only be used for application purposes and disposed of safely after the selection is completed to maintain the privacy of personal information.

13. YNU welcomes applications from women and non-Japanese researchers.
